Dear Boars Head Families,

Thank you to everyone who came out to the team suit fitting last night! It was wonderful to see familiar faces as well as getting to meet new ones. If you were unable to make it, no worries. You can order a suit online at:

<https://virginia-swim-shop.shoplightspeed.com/summer-league-teams/boars-head/>.

I have heard from some families that the website is not responding when trying to submit their orders. If you run into this issue, just shoot me an email, and we will work out a solution. If you are not sure what size to order, I have put a chart at the bottom of this email with approximate sizing. However, these sizes are just estimates, and should be adjusted according to each child. We are also giving the option to order custom caps at a price of \$30 per cap. If you would like to be added to the order list, please fill out this form: <https://forms.gle/CHvdK38ax2hFft2H8>. The order list will be sent in **May 22nd**, so please be sure to fill out your order before then. **We must have more than 25 orders or we cannot order custom caps.** I know the due date for the order is soon so please spread the word.

Shifting gears, I have had a few questions regarding swim lessons this year. For families that are interested in private swim lessons, please email me, and I will reach out to my coaching staff. Alternatively, you may reach out to any of the coaches yourself if you feel they would be a good fit for your swimmer. If families are coming to 8 and under evaluations today or tomorrow, you will be able to talk to the coaches to get to know them, as well as determine when they are available for lessons. Another option is the learn to swim program, which is set up by BHSC. This would be an option for later in the summer, seeing as how the program is not quite ready yet.

As a reminder 8 and under evaluations are tonight and tomorrow night from 3:30-6:00 PM and swimmers must fill out both the meet form: <https://forms.gle/xoeWzSrHjB6mmuwYA>

along with filling out JSL registration. I will attach a JSL registration form that can be filled out within the PDF at the end of the email.

Go Boarfish!
