

Dear Boarfish families,

I want to send a quick reminder email that tonight's customer cap order will be sent tonight, so **please have your orders in by 10 PM today**. I will attach the form here:

<https://forms.gle/NotLhhxeYGqpHsQW8>. As a heads up, **the custom caps are optional**, and every swimmer will get a latex bhsc cap regardless of whether they order custom caps.

Go Boarfish!

Noah
