

Important Information:

- Volunteer Sign Ups on the team website: <https://www.swimbhsc.com/volunteer.html>
- Please aim to arrive at FCC by 5:00 pm for our first swim meet!

Important Dates:

- Wednesday, June 15 at 5:00 PM: First Meet @ FCC

Dear Boar's Head Families,

As a reminder about the important time for the meet tomorrow for the Warm Ups/Start time:

- 13 and Ups, 5:15 pm - 5:30 pm, please be at FCC by 5:00 pm, check in with Coach Charlie
- 12 and Unders, 5:30 pm - 5:45 pm, please be at FCC by 5:00 pm, check in with Coach Nina
- Meet starts at 6:00 pm

I also wanted to update everyone about our team gear. We have our team t-shirts in; they will be available for pick up tomorrow during morning practice. Our regular latex BHSC caps are also in. We will be handing them out at morning practice and the meet. I have been in touch with our vendor for the custom caps and suits, and I have been informed that our custom caps should be here shortly. I will send an email out when they arrive. However, our team suits have been caught in a supply chain issue with speedo. Unfortunately, we don't have a great timeline about when we might be able to get the team suits. I am sorry for the inconvenience and delay with the suits. Since the suits will not be in by tomorrow, I wanted to give a few guidelines JSL reinforces about appropriate suits for the meet. **For 12 and under, no tech suits are allowed. For anyone tie in the back suits are not allowed.** Please let me know if there are any questions about the requirements for suits or if anyone needs help finding a replacement suit.

Go Boarfish!

Noah
