- New Thursday Morning Schedule
- Team Gear has arrived and can be picked up on deck
- Lost and Found from FCC meet and past weeks

Important Dates:

- Wednesday, June 22 at 4:15 PM: BHSC vs. FSBC

Dear Boar's Head Families,

For the Fry's Spring meet on Wednesday, I would like to share some information about warm-ups, start time, parking, seating, and food:

Theme:

Heroes and Villains. Thanks to FSBC for reaching out to ask for a friendly theme that we can all join together, we have decided to do Heroes and Villains. FSBC has very kindly agreed to be the Villains, and BHSC will be the heroes. I want to emphasize that anyone is welcome to be a hero or a villain, and that the theme is supposed to bring us together. Please be respectful and have fun with it.

Warm Ups/Start time:

13 and Ups: Please arrive by 4:15 pm, and check in with Coach Nina. Warm up 4:30 - 4:50 pm.

12 and Unders: Please arrive by 4:35 pm, check in with Coach Noah Althoff. Warm up 4:50 - 5:05 pm,

All: Meet starts at 6:00 pm

Directions / Parking:

BHSC is asking that we park in the tennis and squash parking lots behind the club. Families should drive down the side road (Wellington) past the big parking lot out front of the club and turn onto the maintenance road (Berwick), drop their swimmer at the back gate (Blue Circle), and then proceed to park in the squash or tennis parking spots (Highlighted area). I will include a picture below to depict what I tried to describe. Please reach out with any questions.

Seating:

Seating will be available to the BHSC team on the upper deck, towards the shallow end of the competition pool, under the tree on the small hill, and under the coverings next to the baby pool and round pool. The clerk of the course will be located between the baby pool and the competition pool.

Food & Beverage:

The Deep End Bar and Grill will be available until 9:00 pm accepting cash or credit card. As a reminder, alcohol is not permitted on the pool deck during JSL swim meets. There will be a complimentary water station set up on the pool deck.

Heat Sheets

Heat Sheets will be available online on the home page of the team website: <https://www.swimbhsc.com/>. Paper heat sheets will also be available free of charge.

I want to re-emphasize that the upcoming meet on Wednesday is going to be noticeably longer than last week. To prepare for this length, please be sure to bring plenty of snacks and water for your swimmer and your family. There will be times when it feels like the meet is moving very slowly, so it is

important for both families and athletes to be prepared for the length. However, be sure to keep track of the meet so that our athletes don't miss their events!

The Thursday morning game day schedule will remain the same as it did last week. The change works to bring the different age groups together working to create "ohana" and to allow families to sleep in the morning after a late meet.

13 and ups, water polo: 8:45 am - 10:00 am (please be 15 minutes early for set up)

ALL 8 and unders, games with coaches: 10:00 am - 10:45 am

9-12s, water polo/sharks and minnows: 10:45 am - 11:45 am

Custom caps arrived today! Now, team t-shirts, most suits, and custom caps are all available to be picked up at practice or at the meet. We also have a lost and found from the FCC meet and from the past few weeks, so if your swimmer's water bottle, goggles, or other items have gone missing please stop by the deck during practice.

Go Boarfish!

Noah
