- Wednesday, July 6th: BHSC vs. CGST

Dear Boar's Head Families,

There is a substantial amount of information in this email, so please give it a careful read through. Please feel free to ask any questions after reading. We will take whole-team pictures prior to warmup for the CGST meet, please have all swimmers wear their white team t-shirts from this year! Please be ready for pictures on the pool deck no later than 4:00 pm. The team will walk over to the hill behind the inn and in front of the pond at 4:05 to take pictures, and then will return to the pool for another picture on the steps of the pool deck. After the second picture, 13 and ups will warm up from 4:40 to 4:50. At 4:50 the 12 and unders will join the 13 and ups to warm up with a few starts until 5:00 pm. Crozet will have the pool from 5:00pm until the start of the meet at 5:30. **Please note the early start time.** Our goal with the 5:30 pm start is to build in some wiggle room with the impending forecast. The dress-up theme for the meet will be red, white, and blue, so bring some red and blue to match our white team shirts! Here is a timeline, barring persistent weather delays:

**Be at pool by 4:00pm**

**Team Picture on the hill at 4:05pm** (wear the white team t-shirt, we will have a limited number of extras)

**Team Picture on pool deck steps 4:25** (approx)

**13 and up warm-ups at 4:40** (13 and ups check in with Coach Nina)

**Everyone for starts and 25s at 4:50** (12 and unders check in with Coach Annabeth)

**Team Cheer at 5:20pm** (upper deck)

**Meet starts at 5:30pm**

If we have weather delays that affect the pictures, we will postpone the picture on the hill to the Fairview @ BHSC meet. The picture on the pool deck will be postponed to this Thursday morning at 10am. This picture is for JSL ads, and needs to be submitted soon, we'd love to have as many swimmers as possible!

We will update families of delays and changes to the meet as things develop. Please check the team's **Twitter, Facebook, and email for updates throughout the evening. In the case of inclement weather, please do not leave Boar's Head until we have officially canceled the meet.** If for any reason your family does need to leave the meet before an official cancellation, please let a coach know. We support what is best for you and your family, but a heads up is tremendously helpful. **If lightning is detected and we need to move inside, the club has asked that the team moves indoors to the squash facility.**

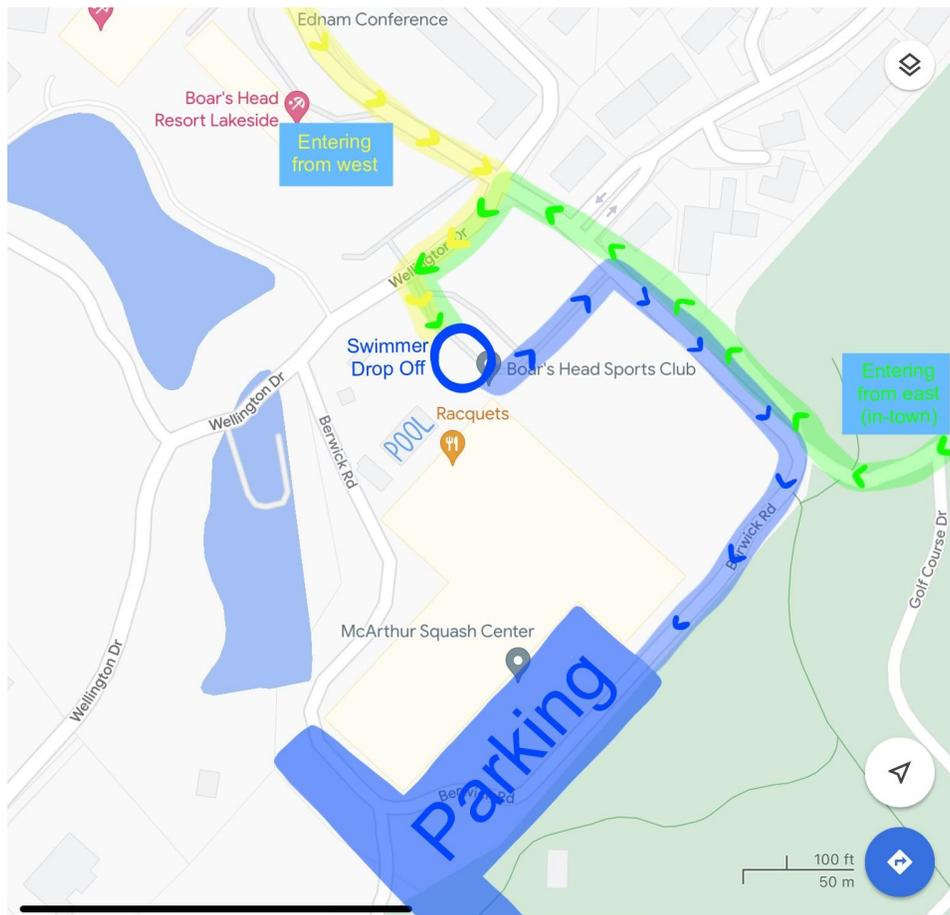

With the longer meet, please be prepared with snacks and water. Unfortunately, we were unable to get most exhibition entries into the meet. However, if your swimmer's exhibition entry *did* make it into the meet, their name will be on the heat sheet. If your swimmer was entered as an exhibition for an event and is not listed on the heat sheet, this indicates that they did not make it into the meet for that event. Please refer to my previous email regarding exhibition specifications, or shoot me an email with questions.

**Theme:**

Red, White, and Blue, in celebration of Independence Day!

**Directions / Parking:**

BHSC is asking that we park in the tennis and squash parking lots behind the club. Families should drive past the front of the club and drop their swimmer at the front gate to the pool (blue circle). After dropping off your swimmers, please turn right onto Berwick Rd, and proceed to park in the squash or tennis parking spots (blue highlighted area). The picture below depicts what I tried to describe. Please reach out with any questions.

**Seating:**

Seating will be available to the BHSC team on the upper deck, towards the shallow end of the competition pool, under the tree on the small hill, and under the coverings next to the baby pool and round pool. The clerk of the course will be located between the baby pool and the competition pool.

In the case of lightning, please move indoors to the squash facility.

**Food & Beverage:**

The Deep End Bar and Grill will be open until 9:00 pm accepting cash or credit card. As a reminder, alcohol is not permitted on the pool deck during JSL swim meets. There will be a complimentary water station set up on the pool deck.

**Heat Sheets:**

Heat Sheets will be available online on the home page of the team website: <https://www.swimbhsc.com/>. Please save paper and use the website if possible, but paper heat sheets will also be available free of charge.

I have received most of our team suits and team gear ordered from our vendor. Please note that some suits were out of stock, mostly consisting of size 26s. We have found a replacement brand, Dolphine. I will send an email once the back-ordered suits arrive. Team gear and ribbons can be picked up on the BHSC pool deck during any practice time. Please plan on picking up team gear soon. We also have a growing lost and found collection, so if you are missing something please stop by and ask a coach to see if we have it. Please let me know if you have any questions or concerns!

Thank you in advance for everyone's flexibility and understanding.

Go Boarfish!
